The quantities covered by aid applications submitted for the last quarter of 2016 do not exceed the total maximum volume (1.07 million t). Authorisations may therefore be granted for quantities notified to the Commission for cow milk delivery reduction in October, November and December 2016. The next time limit for the receipt of complete applications by MS' authorities is 12 October 2016 at 12.00 (Brussels time) for the second reduction period covering November and December 2016 and January 2017.
